Project: Generation of county districts map series
Location: San Diego County, California
Client: Local Area Formation Commission San Diego
1600 Pacific Highway, Room 452
San Diego, CA 92101
Contact: Mr. Michael Ott– (619) 531-5400
Electronic Mail: mott@co.san-diego.ca.us
Duration: January 2000-October 2002

IGIS Technologies, Inc. was hired as a consultant to generate a series of 30 maps for the Local Agency Formation Commission (LAFCO). These maps were part of their regular publication "Profiles of Special Districts in San Diego County." The publication is distributed to over a hundred public and private agencies. The maps were created in ArcView and illustrate all jurisdictional boundaries. Templates were created for ease of use for future updates. Ensuing onsite support was provided.
